

Community Updates

Aquatic weed harvester

As most of you have seen, the aquatic weed harvester has been busy around the lake. As you may have seen the type of weed growing in the lake is changing and we are currently seeing more of the weed called coontail. You can look on the Beaver Lake website at the Aquatic weed program to see what types of weeds that we are dealing with. We will continue to work in the areas as dictated by the growth rate of the weeds. We appreciate everyone's patience as we work on the aquatic weeds.

SW cove culvert replacement project

The replacement of the culverts in the SW cove is progressing nicely. The relocation of the water and sewer lines are now complete. The old culverts have been removed and the dirt compacted in the location where the new box culverts will be placed. Upon viewing the condition of the old culverts after they were removed, it is very

apparent that our timing was good by making the decision to replace them. As you can see from the pictures, the preparation is being done to pour the concrete base of the box culverts. If you want to watch some of the construction activities, you

can approach the area by boat to see the progress of the project. Thank you again for your patience while the road is closed. Enjoy your summer.

Swimming Pool

The swimming pool is now open for your use and enjoyment. We ask that everyone be mindful of the rules that are posted around the pool. It is important for everyone's safety to watch out for each other and follow the lifeguards' instructions. We appreciate everyone's patience while the repairs were being made to the pool. Enjoy the facility this summer.

Nature & Garden Club

Summer is finally here! While we have had some much-needed rain, we are still hoping for more to bring the lake up to full pool.

The fluctuating temperatures have been a challenge for local gardens. Many spring flowering trees lost their blossoms to the cold, and I even lost a few tomato plants before the weather stabilized. However, my Yukon Gold potatoes are doing great, and I hope your gardens are thriving as well.

At the lake, we have several new geese families, some duck families too, though the ducklings continue to face challenges from local predators. Most other birds are nesting now, with many babies preparing to fledge. If you are interested in identifying the birds in your yard, I highly recommend the free Merlin Bird ID app by Cornell Lab. It is a wonderful tool for learning bird songs and tracking the different species that visit your home.

As the weather warms up, please remember to keep your bird feeders and bird baths clean. Freshwater is vital for hydration and cooling during sweltering days. If you have hummingbird feeders, consider filling them only partway and changing the nectar frequently, as it can spoil quickly in the heat.

Finally, the Nature and Garden Club is celebrating 47 years! Anyone is welcome to join, even if you are not a BL lot owner. Dues are only \$10 per person for the year. We meet from April through October, typically at 7:00 PM at the clubhouse. You can find our full schedule on the BL website calendar.

Our next meeting is July 23rd at 7:00 PM at the clubhouse. Our guest speaker, Stephanie Barelman, will be discussing native plants. We hope to see you there!

Here is the rest of the schedule:

August 27th (7:00 PM): Master Gardener – Speaker: Jodi Hauptman-Drannen

September 24th (7:00 PM): The Grass Pad – Field Trip

October 22nd (6:30 PM): Plant Nebraska – Speaker: Bob Hendricksen

Best regards,

Janet Houston, Nature & Garden Club

Fishing Club News

June 6th was sadly the last carp tournament of 2026. Time flies by doesn't it! Lucky for us, some of the golden beauties took a break from their romantic interactions and bit. The bow and arrow teams took the top 2 spots, but big fish and 3rd and 4th place were on rod and reel. There were some big fish hooked, but many of them used

the weeds for leverage and broke off to gain their freedom. 22 carp were caught, here are the results:

1 st Place	Zack "carp" Zeleny & Jake Gaskill	6-fish @ 82.04 lbs
2 nd Place	Dan Gaskill	4-fish @ 50.26 lbs
3 rd Place	Cody Kues & Baily Young	2-fish @ 39.28 lbs
4 th Place	Paul "catfish" Warner & Russ Parmer	3-fish @ 31.42 lbs
5 th Place	Taylor & Garrett Stone	3-fish @ 30.14 lbs
6 th Place	Tanner Nielson & Liam Fitzler	2-fish @ 26.14 lbs
7 th Place	John Frost & Trinton Martinez	1-fish (didn't weigh)
	John Young & Ted Kues	
	Kevin Folland & Jeff Mills	

Big Fish	Cody Kues	19.72 lbs
2 nd Big Fish	Taylor & Garrett Stone	15.48 lbs

Russ Parmer

Patrol Reminder for the Holiday Weekend

- On July 3rd, 4th & 5th – There will be **NO secondary vessels** allowed on the lake.
- On Friday, July 3 – **NO WAKE will begin at 7:00pm** in preparation for the fireworks show
- Please make sure ALL navigational lights are working!
- Fireworks will be July 3rd

Important Patrol Information

Reminder:

ALL Boat Stickers, GAU's and Pet Licenses must be renewed **by May 1, 2026!**

Boat Stickers, Ramp Cards, & GAU Stickers can be obtained from the Boat Ramp during regular boat ramp hours*.

Patrol News – Fishing Licenses

BLA Patrol Reminder: Fishing Licenses Required for Age 16+

As the weather warms and more residents head out to enjoy the beauty of Beaver Lake, Beaver Lake Patrol would like to remind everyone of an important regulation regarding fishing on the lake.

Who Needs a Fishing License?

All individuals **age 16 and older are required to have a valid fishing license** while fishing in Beaver Lake. This requirement applies to both residents and visitors, whether fishing from the shoreline, a dock, or a boat.

Why It Matters

Fishing regulations help protect our lake's ecosystem and ensure that fish populations remain healthy for future generations. Licensing fees also support conservation efforts, habitat restoration, and wildlife management programs.

Avoid Fines and Stay Compliant

Fishing without a valid license may result in fines or penalties if checked by any Beaver Lake employee. Beaver Lake Patrol works alongside local authorities to promote safety and compliance, so we encourage everyone to make sure their license is current before heading out. (Including your guests)

Enjoy the Lake Responsibly

We want everyone to have a safe and enjoyable time on the water. By following fishing regulations, you're helping preserve Beaver Lake as a great place to relax, fish, and make memories.

If you have questions about lake rules or safety guidelines, feel free to reach out to Beaver Lake Patrol - or the Beaver Lake Fishing Club! 😊

MVFD Beach Party

HELP MAKE THE 20TH ANNUAL BEACH PARTY A SUCCESS! ❤️

YOUR SUPPORT HELPS OUR VOLUNTEER FIRE & RESCUE TEAM SERVE AND PROTECT OUR COMMUNITY!

THERE ARE MANY WAYS YOU CAN GIVE:

DONATE SILENT AUCTION ITEMS
We're seeking in-kind donations of products, services, and experiences for our Online Silent Auction.
Examples include:

- Gift Baskets • Gift Cards • Staycations
- Travel Packages • Concert or Sporting Event Tickets
- Unique Experiences & Services

MAKE A MONETARY DONATION
Cash, check, or online donations are always appreciated and help support the event and our volunteer fire department.

ATTEND THE EVENT
Purchase your tickets and join us for a fun-filled day supporting a great cause!

BECOME A SPONSOR
Show your community support while gaining visibility for your business or organization.

SILENT AUCTION ITEMS ARE NEEDED BY AUGUST 1ST!

ITEMS CAN BE DROPPED OFF AT BEAVER LAKE MARINA

EMAIL AMANDA AT amanda@beaverlakemarina.com to arrange pickup of your donation items!

SUPPORT YOUR COMMUNITY WEAR IT PROUD! ❤️

ORDER YOUR BEACH PARTY APPAREL!
PRE-ORDERS OPEN NOW THROUGH JULY 20TH!

HOW TO REGISTER
IT'S QUICK, EASY & ONLY TAKES A MINUTE!

- 01**  Go to the Event QLink and type in your Mobile Number.
- 02**  Locate the 6-digit confirmation code in your text messages.
- 03**  Enter the code and you will be taken to your Personalized QSite.
- 04**  From the QSite you can participate in the Event.

NEW THIS YEAR!

Patrol News – Pet Licensing

Lake Patrol News: Pet Licensing is Mandatory - Not Optional

As we continue working together to keep our community safe, organized, and enjoyable for everyone, Beaver Lake Patrol would like to remind all residents of an important requirement: **pet licensing within the community is mandatory**. This is not an optional guideline - it is a requirement outlined in our community handbook.

Why Pet Registration Matters

Pet licensing is more than just paperwork - it plays a vital role in maintaining a safe and well-managed neighborhood. Here are some of the key benefits:

1. Faster Return of Lost Pets

Registered pets are much easier to identify and return if they wander off. A current license allows Lake Patrol, Animal Control, and neighbors to quickly locate the owner, reducing stress for both pets and families.

2. Improved Community Safety

Accurate records help ensure that all pets in the community are accounted for and meet vaccination requirements. This helps protect residents, visitors, and other animals from preventable risks.

3. Accountability and Responsible Ownership

Licensing promotes responsible pet ownership by ensuring all residents follow the same rules. It helps address concerns such as excessive noise, leash compliance, and waste management more effectively.

What You Need to Do

If you have not yet registered your pet, please do so as soon as possible in accordance with Beaver Lake requirements. Ensuring your pet's license is current is just as important as the initial registration. Pet licensing is an **annual requirement due by May 1st each year**.

Lake Patrol will continue to monitor compliance, and failure to register pets may result in enforcement actions outlined in the handbook. By working together and following these guidelines, we can ensure our community remains a safe, welcoming place for both residents and their pets.

Thank you,
Reba Graf
Lake Patrol Director

2026 Lawn Watering Restrictions

Originally effective April 1, 2025, and still being enforced, all Beaver Lake Properties are under lawn watering restrictions due to the lake level being down as we move into spring. Lawn watering restrictions are enacted by the Board of Directors when the lake level is down 12" or more. Currently we are 9" low. You can see the current lake level and temperature by going to the link on the front page of the [Beaver Lake website](#). The lawn watering restrictions work as follows. If your address ends in an **even** number, you may water your lawn on **Monday, Wednesday and Friday** each week. If your address ends in an **odd** number, you may water on **Tuesday, Thursday, and Saturday** of each week. Please limit your watering timeframe to morning and evenings to avoid evaporation. These restrictions apply whether you pull water directly from the lake or use water from the distribution system. As conditions change, we will put updates on Website for your use. These water rationing guidelines are also on page 86 of the Beaver Lake Handbook. We ask that you respectfully follow these guidelines to ensure that all property owners have the chance to water vegetation as well as maintain the level of our drinking water source. If the regulations are violated, Beaver Lake personnel have the authority to issue a violation of the Handbook rules. Rule 401 of the liquidated damages schedule provides that a \$50 fine may be imposed for a violation of Emergency water regulations. Please set or control your lawn watering schedule effective immediately. We appreciate your cooperation on this matter.

Troy Weatherby
BLA Managing Director

WATERING DAYS UNDER RESTRICTIONS

SUN	MON	TUE	WED	THUR
15	13		4	13

Please water only on assigned days to conserve our precious resources.

Address ends on even number = Mon/Wed/Fri.

Address ends on odd number = Tues/Thurs/Sat

Beaver Lake Blvd Partial Closure – SW Cove Area

Attention Please! Beginning on Monday June 1, 2026, Beaver Lake Blvd will be closed from Fire Lane to Carol Court. in the Southwest Cove area. This is due to the replacement of the culverts under Beaver Lake Blvd. No traffic will be allowed through that area of the Blvd. Any traffic for the area will need to reroute to Hwy 75 to get to the north end of the Blvd from the south side of the lake. The road closure will last for approximately 3 months and is weather dependent. We ask that you please plan accordingly and advise any guests or workers coming to your area to avoid any traffic problems.

Please look at the attached map to view the closure area. We will contact the following companies to make them aware of the road closure as well; Murray Fire and Rescue, Conestoga High School transportation, Papillion Sanitation, and Postal Services.

(Continued on page 7)

We appreciate everybody's cooperation during this timeframe while we improve the infrastructure of Beaver Lake.

See map of closure on the Beaver Lake Website: [SW Cove Road Closure Map](#)
